

# Advanced Materials for New generations of Batteries

Okayama University  
**SEMINAR**

## DATE AND TIME

**June Tuesday 4<sup>th</sup> 2019**  
**13:00-17:00**

## VENUE

**3<sup>rd</sup> lecture room,**  
**Faculty of Eng. Bld. 1**  
**(2<sup>nd</sup> floor)**

## INQUIRY

Takashi Teranishi,  
Associate Professor,  
Graduate School of Natural Science and Technology,  
Okayama University  
Phone: 086-251-8070  
E-mail: [terani-t@cc.okayama-u.ac.jp](mailto:terani-t@cc.okayama-u.ac.jp)

## INVITED TALKS

**Dr. M. MODREANU**  
Tyndall National Institute /UCC  
(Cork, Ireland)

**Prof. Y. KAMESHIMA**  
Graduate School of Environmental  
Sci. and Tech.

**Prof. N. IKEDA**  
Graduate School of Natural Sci. and  
Tech

## CONTRIBUTED TALKS

10 min presentation,  
All faculty members and students  
related to "battery in a broad  
sense" (e.g., secondary battery,  
solar cells, fuel cells, energy  
harvesting) are welcomed.  
**Send title and name to**  
**Prof. Teranishi via e-mail.**
